

Lighting the Way

Remember

a loved one during

National Home Care

& Hospice Care Month

by *Lighting the Way*. This is

a special program to honor those

who have died. *Lighting the Way*

was started to remember those for whom

we cared in Franciscan Hospice Care and has

been expanded each year to include others who

have died. You may **Light the Way** by remembering

a spouse, a relative or a friend. This year the hospice

memorial trees, on the campus of the Franciscan Life Center,

will be lit during the month of November and again during the

Christmas Season. You are invited to attend the *Lighting the Way*

ceremony immediately following the Mass on November 4, 2019.

Lighting the Way, a program of Franciscan Home Care and Hospice Care,

will benefit the mission of

Franciscan Hospice Care
