

Gather Around the Christmas Tree

The Franciscan Home Care and Hospice Care staff wish our patients, families, benefactors, volunteers, and friends peace and joy as we celebrate the birth of our Lord and the coming of a New Year. May the Lord bless you and grant you His peace.

The Christmas tree is symbol of Christ, says Pope John Paul II, and a Sign of “Undying Life.”

“The message of the Christmas tree, therefore, is that life is ‘evergreen’ if one gives: not so much material things, but of oneself: in friendship and sincere affection, and fraternal help and forgiveness, in shared time and reciprocal listening.”

*May the spirit of Christmas be in your hearts
during this special season and the coming year.*
